To whom it may concern,

Hello, my name is Bryan Dunncan, MSW (He/They), I'm the policy & programming manager for the Lavender Rights Project, a local LGBTQIA+ legal advocacy group. I'm writing today in response to an e-mail I received from Catherine West of Legal Voice. I, and my organization, would like to help participate in the rulemaking for SB 5313. If you could let me know how we may help participate that would be excellent. Thank you very much for your time and wishing you the best.

In solidarity
