Rule number/topic	R 2021-07 Temporary prohibition of use of credit history
Comment(s) or question(s)	<p>I believe this legislation is unfair to anyone who has spent their lifetime being an upstanding citizen paying their obligations on time in order to have a GOOD credit rating. I highly doubt that the pandemic has caused anyone who previously had a good credit score to now have a bad credit score. My husband and I are both retired and live on a fixed income. This rule will be devastating from what I have read about other people who have already been affected by this.</p>
