Comment(s) or question(s)	<p>We wish to strongly disagree with the actions of the insurance commissioner's decision to forbid insurance companies from using credit scores as a part of their rating process.</p> <p>We have a credit score in the 800s and we just got our renewal notice for our auto and homeowner insurance and it shows an increase of 35%.</p> <p>We had our insurance broker shop for other insurers with the same results. Our carrier says that the new rate is due to the insurance commissioner's decision to ban the use of credit scores.</p> <p>Please reverse this decision!</p> <p>Respectfully,</p> <p>Pat & Trudy Elsberry</p>
