Rule number/topic	CR 2021-07 Use of Credit Rating to Increase Car Insurance Rates
Comment(s) or question(s)	<p>I am a Senior Citizen writing to protest the recent ruling by the Insurance Commissioner to allow insurance companies to raise car insurance rates for people with good credit ratings. It is an outrage. My rate for the year beginning in September increased from about \$1800 per year to about \$2500 per year due ti that ridiculous ruling. Please have it revoked immediately and encourage the Legislature to follow the example of California and other states and prohibit such a practice by law.</p> <p>David J. Glass</p>
