Comment(s) or question(s)	<p>The vast majority of of people with credit, including retired people on a fixed income try to maintain the best credit score. This provides them with respected buying power. The Emergency Rule that the commissioner issued, on his own, directly raised my auto insurance \$230. every six months and my home owners by \$155. yearly. Living on a fixed income and food, gas medicare gap insurance raising, I can ill afford the S5010 increase.</p>
