Dear Mr. David Forte,

WTF! David

No hearings, so I cannot follow a trail of logic as to this ruling that you imposed on consumers.

Wasn't a vote on any ballot I have seen, you did this on your own.

My auto insurance went up 25%, and we have a spotless record, driving and credit.

So you do everything right and a bureaucrat in Olympia decides that he will arbitrarily change things and provides no chance for input.

Shame on you.

We have elected officials that I will be in touch with.

Sincerely,

Jay Tyrrell
