Dear Ms. Maier,

The Association of Washington Healthcare Plans (AWHP) appreciates the opportunity to comment on the rulemaking for accessing and receiving health care services and benefits (R 2022-03).

While the legislation authorized the Office of the Insurance Commissioner (OIC) to engage in rulemaking, AWHP does not see an immediate need for rules to implement HB 1651 and E2SSB 5702. Our member plans indicated that they do not require further clarification or guidance to implement or comply with the requirements in those bills.

Thank you again for the opportunity to provide input.
