Good Afternoon,

After reviewing the draft we have one item we would recommend adding or providing clarification on.

Alternative access delivery request: Section (2) (b) Evidence of good faith efforts, starting on Page 81

- We would like to have added the definition of how often good faith efforts are required to be conducted; once a year, once every six months, or once a quarter?
- We do appreciate the other new definitions on what the documentation of good faith efforts entail.

Thank you,

Cora Thomson
