

OFFICE OF
INSURANCE COMMISSIONER

August 22, 2024

TO: Authorized Property & Casualty insurers that have written residential property policies with combined total written premiums of \$1 million or greater in either 2021, 2022, or 2023 in Washington state.

RE: Annual data call relating to residential policy nonrenewals and cancellations.

Pursuant to [RCW 48.02.060](#) and [48.02.065](#) I, Insurance Commissioner Mike Kreidler, direct authorized Property & Casualty companies that have written *residential*¹ property policies with combined total written premiums of \$1 million or greater for Annual Statement Lines of Business 01 (Personal Fire) and 04 (Homeowners) in either 2021, 2022, or 2023² in Washington state to complete the Washington residential nonrenewal and cancellation datacall and survey.

The purpose of this datacall and survey is to collect market surveillance on residential property policies in Washington state, including basic quantitative and qualitative information.

In accordance with [RCW 48.02.065\(8\)](#), all data submitted as a part of this datacall and survey are confidential by law and privileged and not subject to public disclosure under chapter [RCW 42.56](#). I may prepare and publish reports, analysis, or other documents using the data received from individual property and casualty companies so long as the data in the report is in the aggregate form and does not permit the identification of information related to individual companies. Any data in aggregate and anonymized forms are deemed open records available for public inspection.

Please submit data and survey responses by 5pm(Pacific) September 26th, 2024.

This will be an ongoing annual datacall. Please review the instructions carefully for information on how to complete the worksheet and survey. I will only accept individual company submissions. No group submissions are allowed.

Please contact my staff with any questions at david.forte@oic.wa.gov .

¹ Homeowners coverage forms similar to HO-2, HO-3, HO-5 & HO-8, etc., dwelling-fire/landlord protection coverage forms (excluding dwelling fire content only coverage) for residential structures of 4 units or less (e.g., DP-1, DP-2, DP-3), and mobile/manufactured homes coverage forms (e.g., HO-7); EXCLUDE Renters (e.g., HO-4) and Condo (e.g., HO-6) type policy forms.

² For example, if 2021 Line 1 total written premium was \$400,000 and Line 4 was \$600,000, a report must be submitted for all experience years (2021, 2022, and 2023), even if the combined 2021 or 2023 total written premiums were below the \$1 million threshold.

Annual data call relating to residential policy nonrenewals and cancellations
