[Date]

Dear [Policyholder Name],

Why am I getting this letter?

In 2020, you enrolled in the [plan name] catastrophic plan. You will not be eligible for the plan in 2021 because you will be 30 years old and will no longer qualify or you no longer qualify for the affordability exemption. On December 31, 2020, we will end your coverage.

To have health insurance coverage in 2021, you must choose a new plan. This letter explains the options available to you.

Options from [issuer name]

We suggest the [plan name] plan. You [will need to select this plan through Washington Healthplanfinder (Washington's Exchange)] [or you may purchase the plan directly from (issuer name)]. This may change some of your costs, coverage and providers, so please review your options.

The premium for the [plan name] plan starts on January 1, 2021. If you don't qualify for financial help through Washington Healthplanfinder, or if you purchase the plan directly from [issuer name], you'll pay [premium] each month. [Insert if rate pending approval: However, your rate has not yet been finalized. We will update you if there are changes.] To see information about this rate, go to: <https://fortress.wa.gov/oic/consumertoolkitr/Search.aspx>

If you purchase a plan from Washington Healthplanfinder and you qualify for financial help, Washington Healthplanfinder will send you a letter estimating how much your premium will cost, including any subsidy.

The plan we are suggesting may have different benefits and cost sharing, including:
