[Date]

Dear [Name of Policyholder],

Why am I getting this letter?

Your current health plan will not be offered next year. Read this letter carefully and review your options. On December 31, 2020, coverage will end for the people in your household who currently have this health plan. [These people are:

Name of Policyholder

Names of other enrollees on policy]

To keep health coverage in 2021, you must choose a new plan. This letter explains the options available to you.

When do you need to make a decision?

The Open Enrollment period for 2021 health insurance coverage is November 1, 2020 through December 15, 2020. You must enroll by December 15, 2020 to have health insurance coverage in 2021. When you sign up during Open Enrollment, your coverage will start January 1, 2021. You can change plans during open enrollment, but in most cases, you cannot switch plans after December 15, 2020.

What you need to do:

During Open Enrollment you will need to:

Review your coverage options and pick a new plan.

1. Update your Washington Healthplanfinder application by December 15, 2020.

Review your Washington Healthplanfinder application to make sure the information is still current and correct, and to see if you may qualify for more or less financial help in 2021 than you're getting now. This may lower your monthly premium payment or out-of-pocket costs.

2. Choose a new plan by December 15, 2020.

There are two ways you can choose to buy a new health plan:

[Issuer Branding and Contact Information]

- Through Washington Healthplanfinder at www.wahealthplanfinder.org. You can compare plans, find in-person help in your community, and see if you qualify for free or low-cost options depending on your income. If you qualify for financial help, you can only get those savings if you enroll through Washington Healthplanfinder.
- Directly from a company or with the help of an agent or broker.
